## Handmade toquilla straw hats (Panama hat) catalog.

We offer authentic Panama hats hand crafted by Andean craftsmen with toquilla straw.

**Wholesale price conditions.** The order considered as bulk for the purchases with total of 50 hats (the order may include different models, but the total number purchased should be at least 50 hats). The order of total number of at least 50 hats may include just one or few units per each model, or it may include many units of some specific model(s), according to your preference. If you need just one or few sample hats, certainly its possible, as we do not have the MOQ, and they will be sent asap after payment receipt, but the price will be different.

**Payment conditions and productions time frame.** If you would like to place an order, please tell us which models/colors you are interesting in, pay us 50% in advance (paypal, bank wire or wu is ok), we will prepare the order within estimated time frame (2-3 weeks for small and medium size orders of 50-100 hats, 3-5 weeks for medium size orders of 300-500 hats). Once the order is ready, you pay us the rest price and shipping price, and we send it you by airmail with post with online tracking code.

**Models and colors.** There are many models for straw hats, including for men, women, children (boys/girls), each model comes in different sizes, some of them comes in variety of colors. If you give us generic preferences about colors, which colors you are mostly interesting in, and which colors you dont need at all, we will prepare the order faster and it may include even one or few hats per each color, if you need a small number in variety of colors. For bulk orders, like, for example, if you need 20 red hats only for some certain model, we will do it very easily, but its harder for us to make 1 or few red hats, such as if you need 10 hats one per each very strict color, its more complicated and we might not be able to accept such order. For smaller amounts of colored hats we prefer to receive generic info, such as "mixed colors, blue, red, green, ... tones are ok, but black,orange,... - no".

**Sizes:** You can choose any sizes with your order. The most common

sizes are 56 (S), 58 (M), 60 (L) and 62 (XL). For some of the models there is also size for children.

**Grades.** There is three types of grade we sell. Low grade, medium grade, and high grade. The difference between grade is how thin or thick the straw used with production of hat. The more thin the straw the higher grade is hat. High grade hat is more soft and thin. With low grade the straw lines are more thick, but the quality of hat remains high. See attached photo. For some models the glue is used for making a permanent shape for the hat, so you cant double it, with this the most sense of higher grade is lost, and the model is visible cheaper in low grade version. The borders between grades are not 100% exact.

**Payment options:** We accept bank wires, paypal, moneygram, western union. Any other payment method is subject to discuss. For paypal payments over US\$2500 processing fee 5% apply.

**Shipping options:**

- 1) Certified post: the only option for small and medium size orders up to 300 hats. Shipping price around to US\$10-20 per kg depending on size of your order and your country. Shipping time 3-5 weeks.
- 2) FEDEX/DHL. Fast, but expensive options. We can use this option according to preference of client, for bigger size orders only (300 hats or more).

Average weight per each unit is 70-100 grams depending on model.
